

# LUXURIOUSLY LIGHT LOFT

*Warmth without weight.*

Suprelle® Air Pro filling is the highest-quality and most luxurious versions of the Suprelle® fiber fill range, giving you an incomparable sense of fullness and softness.

Fine fibers give the products lightness with minimum weight and provides effective insulation for optimum comfort all night long.

*Improved AIR*

*Innovative fine fibers allow more air flow, contributing to lightness and fluff.*

Unique on the market, this siliconized, spiral-shaped hollow fiber contains a higher void content, providing 15% more bulk than the previous Suprelle® Air fiber.
